

VOTING RESULTS – 2022 BOARD MEMBERS & COVENANT ELECTION

Please note: Our By-Laws state, **“Each member of the Association shall be entitled to that number of voting units equal to one (1) vote for each whole one-half (1/2) acre of land each member owns in the Highland Meadows Subdivision.”** That is the formula we used to tabulate all of the votes cast. A “Yes” vote means the proposed changes were adopted. Please see the 8 page worksheet we mailed to everyone for the specific language that was adopted. Here are the results:
