## ANNUAL HOMEOWNERS ASSOCIATION MEETING

Hello Residents,

Another year has gone by and it is time to have our Annual HOA Meeting. We will be having a lunch and drinks. This meeting is a great opportunity to catch up and meet your fellow residents, neighbors, and new residents.

The meeting will be at the Florissant Public Library 334 Circle Dr as usual and are hoping to see a great turnout. The meeting will be from 11:00 to 1:00 pm, August 22, 2026. We would like to ask residents to pay their dues before the meeting so the financial report will be current at the time of our meeting.

As always, you may send suggestions, comments, or other feedback to the Association, or may call any Board member. Your participation in Association matters is important; please continue to help us preserve your property values, safety, peace of mind, and the integrity of our community.

Please read the important letter from our Treasurer regarding dues.

Yours truly,

*Rusty Webb*
